

Reponses to February 2016 - Friends & Family Test

Responses – To the question “How likely are you to recommend our GP practice to friends & family if they needed a similar care or treatment?”

6 replied that they are extremely likely to recommend. 2 replied that they are likely to recommend

Comments:

The service I have had is second to none.

Many thanks for advice from duty doctor. Quick turn around on prescription.

Dr Begum was thorough & wanted to make the best next steps for my baby. She was knowledgeable and asked questions about family health. I feel I had good advice.

We found the doctors very friendly and helpful also the staff.
